

**MAY TOWNSHIP MINUTES
AUGUST 26 2019**

Elected Members Present: Supervisors – Jason Barg, Dan Donahue, David Horn
Clerk – Bianca Wyffels
Elected Members Absent: None
Employees Present: Dave Hildahl
Employees Absent: Dale Fleischacker, Conrad Alexander, James Ackerson
Others Present: Clint and Carson VanVickle, Chris Hanson,

CALL TO ORDER: D Horn called the meeting to order at 8:01 p.m.

PLEDGE OF ALLEGIANCE: Pledge of Allegiance was recited.

MOWING LAWNS: Clint and Carson VanVickle mow the Township Hall lawn and Bridgeman Cemetery. The board asked them to come to the meeting to discuss fall mowing. The board thank Clint and Carson for the nice job they have been doing and hope they will continue to mow for May Township. The board asked them to only mow every other week for the rest of the fall.

104th STREET: Chris Hanson was present to ask if 104th Street (7E) will be graveled this fall. He stated there are “pot holes” which he feels will be a problem during the winter. The board asked the Clerk to contact Hengel Construction Company to see if they will be graveling 104th Street (7E) or grading it as per our verbal agreement with them.

45th Avenue SW: Veronica and Jim Schulz presented a picture of a berm left behind by our grader. They asked what the purpose of this is. Discussion followed on how roads are graded. The board agreed this should not be left as it is close to winter and may cause some problems. The board will contact the grader operator to fix this.

Other Road Issues: 71st Avenue speed limit signs – Becker Township was contacted. They did put the speed limit signs up. Clerk will contact Sheriff Office regarding the signs.

Sissy Brown Mail Box – Sissy Brown called stated the grader has run over her mail box. D Horn stated he is aware and the grader operator is going to make corrections.

116th Street – There is a broken culvert on 116th Street. This will be marked for traffic flow. Gravel has been graded off road needs to be fixed. Board agreed to look at this during spring road review.

Sarah Drive – This road has been graded wide. Grader operator will be asked to fix this issue.

124th Street (25W) – An approach needs to be put in on west end of 124th Street (25W) by swamp on S side road (by Bill Corner). This will be added to the spring road review.

WEB PAGE and INTERNET: J Barg stated CTC will bring the fiber optics line up to May Township Hall this fall and wait until December to complete the installation. Web page is in process. B Wyffels is looking for May Township History and D Donahue has been taking pictures for it.

CULVERT MAPPING: D Donahue stated the Culvert Mapping project is underway. Cass County has been very helpful. They are working on finishing the new map. The board would like 2 large maps and 20 small maps. This should be ready in September.

AUGUST 29 2019 MEETING: A motion by J Barg, seconded by D Donahue to approve the board members attending Cass County Road Maintenance meeting in Walker on August 29 2019, agreeing to pay mileage, and registration fees, carried unanimously.

ADJOURNMENT: A motion by J Barg, seconded by D Donahue to adjourn the meeting at 9:05 p.m. carried unanimously.

Respectfully submitted,

David Horn, Chairman

Bianca Wyffels
Bianca Wyffels, Clerk
