Andy and Kim Martin - questions on 108th Street Curt Martin – questions on 108th Street

ROAD MAINTENANCE

108th Street – Andy and Kim Martin stated they have cleared all of the debris out of the ditch on 108th Street that was placed there. The board stated it has been cleared to their satisfaction. Charlie Swenson will begin work on this road soon. Clint VanVickle and Darrel Thomas asked the board if they have the SWPPP permit. They are concerned that there will be MPCA fines if the board does not permit the project correctly. Because the project is an acre or more and because the project is by 7 Mile Creek, the board will make sure the permits are correct.

Gravel – C Converse stated gravel has been laid on the following roads: For most roads they only received gravel on segments of these roads

100th Street (3W) 126th Street (25W) entire road 112th Street (15W) 110th Street is started

124th Street (24W) 65th Street (41S) 132nd Street (34E) working on it

A motion by C Converse, seconded by J Barg to purchase 1000 yards of gravel if needed from Charlie Swenson at the same cost as previous years, carried unanimously.

53rd Ave (46S) – A motion by C Converse, seconded by J Barg to extend gravel from 53rd Ave on to Red River Road (36E) for approximately (1/4 mile), carried unanimously.

Ox Trail – A motion by C Converse, seconded by J Barg to only add 3 inches of gravel (instead of the normal 4 inches) to Ox Trail, carried unanimously.

Debra Lane – A motion by C Converse, seconded by J Barg to add gravel at the end of Debra Lane where it is most muddy, carried unanimously.

49th Avenues - A motion by C Converse, seconded by J Barg to add a culvert at the end of 49th Ave (58N), and to ditch the road as it continues to wash out, and to hire Cal Disterhaupt to do the work, carried unanimously.

Culvert – A motion by C Converse, seconded by J Barg to cleanout the ditch and slope the backslope at the intersection of 120th St. and 65th Ave by Larry Holmbergs driveway, carried unanimously.

Berms – M Breneman stated the berms are too high and need to be removed. The board will talk with the grader operator to see what can be done.

Chloride – Chloride will be coming after all gravel projects have been completed.

ADJOURNMENT: A motion by C Converse, seconded by J Barg to adjourn the meeting at 7:30 p.m., carried unanimously.

Respectfully Submitted, *Jason Barg, Chairman and Bianca Wyffels, Clerk*
